Longview ISD Athletic Physicals

Attention LOBO NATION:

The Longview ISD Athletic Department will partner with the Longview Orthopedic Clinic to offer a free physical examination to all Longview ISD Students in current grades 6-11. The UIL requires all incoming 7th, 9th and 11th grade athletes to have a NEW physical exam each school year and all athletes are required to complete the medical history packet and required paperwork each year.

Students should obtain paperwork from the head coach of their current sport / campus then complete and return the packet to that coach. Completed and returned paperwork will be the student's admission ticket to the free physical exam. **NO Paperwork! NO Physical Exam!**

The physical exam day is **Wednesday, April 19th** and will be conducted from 1-4pm in the Lobo Coliseum. Middle school athletes will be transported to and from Longview HS for physical exams and High School athletes will come during their athletic period or immediately after school.

Please complete and return the paperwork as quickly as possible so your child can be included in the free physical day on April 19th. Paperwork can be obtained online by going to LISD Athletic homepage at the link below.
